INDEPENDENT AUDITORS' REPORT

The Board of Directors  
Smoky Hills Public Television Corporation

**Report on the Financial Statements**

We have audited the accompanying financial statements of Smoky Hills Public Television (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Smoky Hills Public Television Corporation as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

Smoky Hills Public Television Corporation

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

1. Organization

Smoky Hills Public Television Corporation is a nonprofit organization established as part of a plan to extend public television to unserved areas of western Kansas, broadcasting educational television and providing quality programming and cultural telecommunication services to educate and inspire the social awareness of the broadcast area's communities and residents.

2. Financial reporting

(a) Accrual basis of accounting

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations.

(b) Cash and cash equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of six months or less to be cash equivalents. The Organization maintains cash balances at several financial institutions. Accounts at each institution are insured by the FDIC up to \$250,000. At June 30, 2020 and 2019, there were \$1,408,001 and \$1,157,395, respectively, of deposits at Sunflower and Southwind Banks in excess of the \$250,000 FDIC insurance limits that were secured by pledged securities held at the Federal Reserve Bank of Boston, Country Club Bank, and Commerce Bank.

(c) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(d) Net assets

The Organization is required to report information regarding its financial position and activities according to two classes of net assets. The net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES - Continued

2. Financial reporting - Continued

Net assets with donor restrictions - Net assets subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that resources be maintained in perpetuity. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes

3. Contributions

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. Contributions of property and equipment are reported as net assets with donor restrictions if the donor restricted the use of the property or equipment to a particular program, as are contributions of cash restricted to the purchase of property and equipment. Otherwise, donor restrictions on contributions of property and equipment or assets restricted for purchase of property and equipment are considered to expire when the assets are placed in service. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets with donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

4. Promises to give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

The Organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

June 30, 2020 and 2019

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES - Continued

5. Contributed services

During the year ended June 30, 2020 and 2019, the value of contributed services meeting the requirements for recognition in the financial statements was \$2,625 and \$4,227, respectively. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as contributed services. Only donated professional services for the years ended June 30, 2020 and 2019 are being reported as meeting the criteria for recognition under FASB ASC topic 958-205.

6. Property and equipment

Purchased property and equipment are capitalized at cost. Donated property and equipment are recorded at their estimated fair value. It is the Organization's policy to capitalize property and equipment over \$500.

Property and equipment are depreciated using the straight-line method. Estimated useful lives used in the computation of depreciation are as follows:

Buildings and improvements	15 - 31 years
Station equipment	3 - 20 years
Automobiles	5 years
Office furniture and equipment	3 - 7 years

Maintenance, repairs and renewals which neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Gains or losses on dispositions of property and equipment are included in revenue.

7. Functional allocation of expenses

The costs of providing the programs and activities of the Organization have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among program services and supporting services.

8. Subsequent events

Smoky Hills Public Television Corporation has evaluated subsequent events through October 12, 2020, which is the date the financial statements were available to be issued.

9. Reclassifications

Certain reclassifications have been made to conform to the 2020 presentation.
